

George S. Braucht; LPC, CPCS & CARES
Chief Mission Officer at Brauchtworks Consulting

Braucht is pronounced like “yacht” but start with “br” instead of “y”

Mr. Braucht’s 14,000+ hours of supervision, psychotherapy and applied community psychology experience focuses on workforce development emphasizing continuous quality and outcome improvement. George co-founded the Certified Addiction Recovery Empowerment Specialist Academy, a peer recovery coach training that is operational in several states, implemented a statewide recovery counseling program for parolees using the Partners for Change Outcome Management System, the Transitional Housing for Offender Reentry Directory and the Reentry Partnership Housing initiatives, an Enhanced Supervision Program training for correctional and reentry staff plus certification curricula for Recovery Residence Managers and for the Recovery Capital Scale.
